

Your HR Function, Reimagined.

From operational friction to automated efficiency with a Director-Level strategic partner.

A collaborative partnership designed for businesses with 25-100 employees.

Reclaim 15+ Hours of Management Time Per Week

Saving 15 + hours/week in admin tasks, adding a strategic partner, all at a fraction of the cost

The Bottleneck

Operations/Leadership interrupted by repetitive inquiries. High context switching costs.

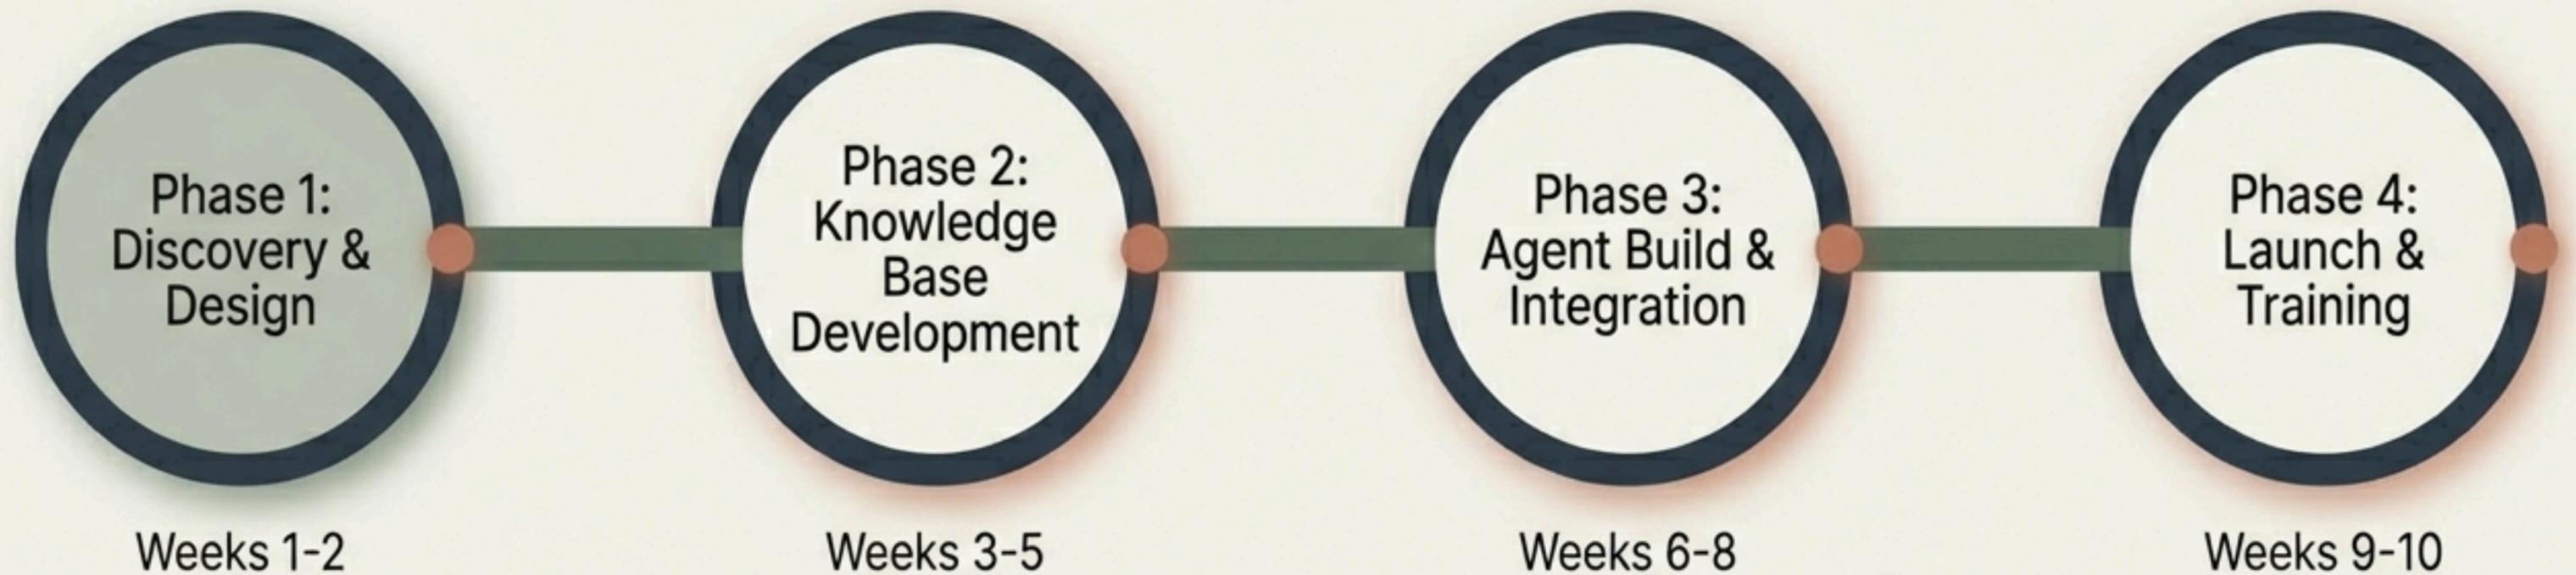

The Asset

Instant answers, zero interruptions, leadership focus restored.

The 10-Week Transformation Roadmap.

We manage the project track; you reap the rewards.

We Build Your Organization's 'Brain'.

Messy Documents

Audit

We collect and audit your Handbooks, SOPs, and Policies for completeness.

Processor

Identify

We isolate the Top Frequently Asked Questions.

Organized Knowledge Base

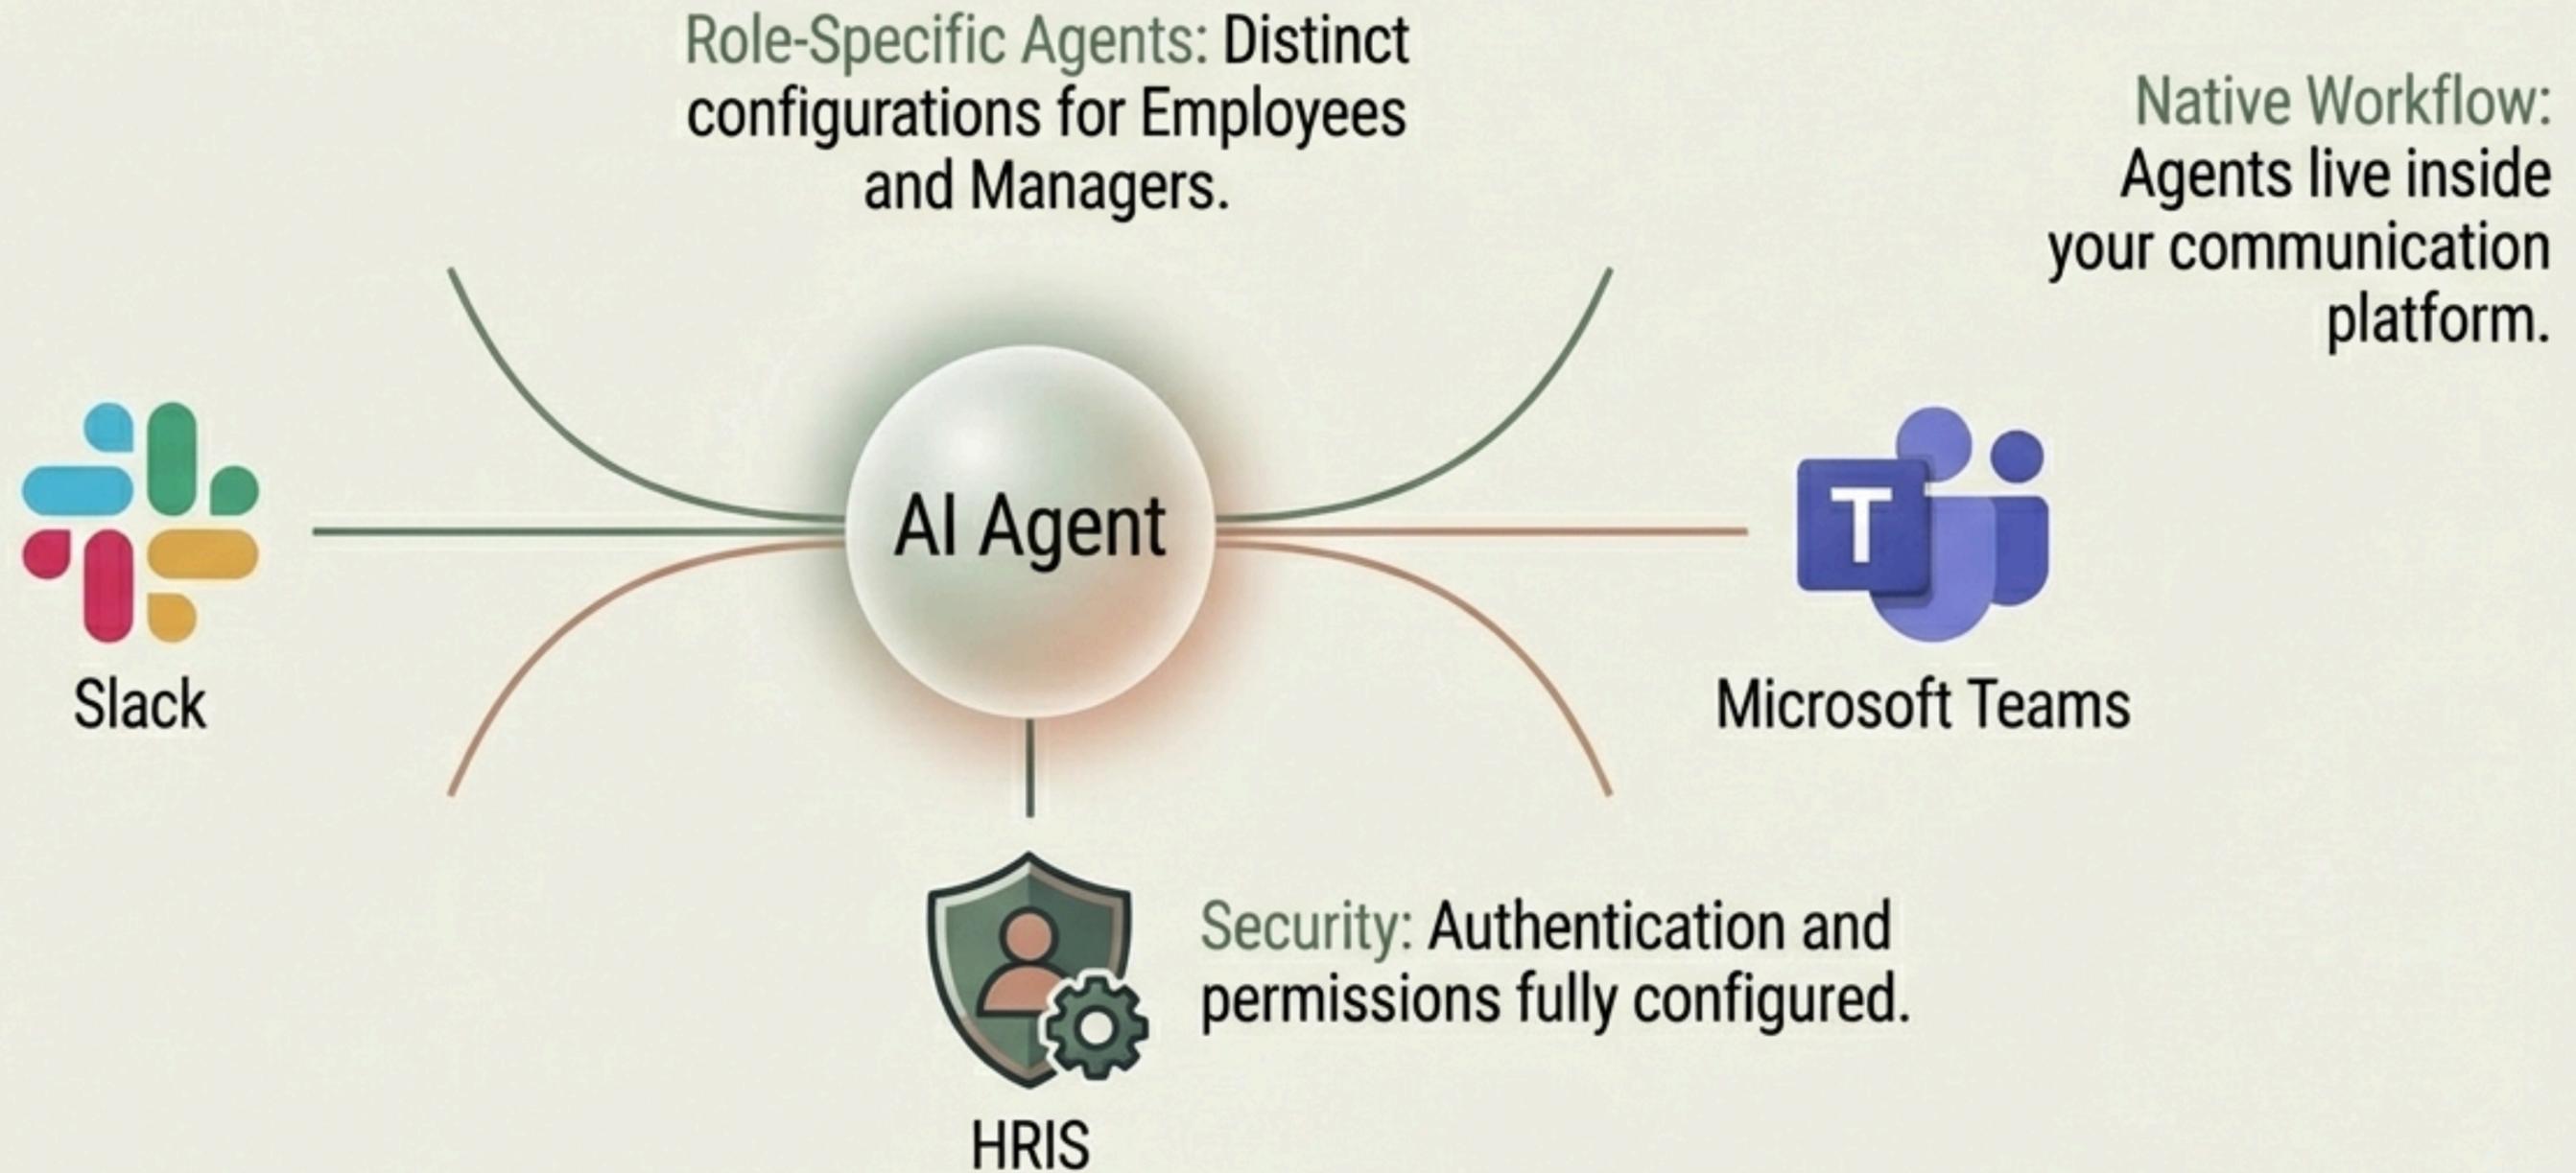

Structure

We reformat static documents into AI-retrievable knowledge assets.

Fill Gaps

We identify missing policies and help create net-new content.

Seamless Integration Where You Already Work.

No new logins. No friction. Just answers.

Launch, Training & Adoption.

Launch Month

End-User Training: Demo videos, quick start guides, and live sessions.

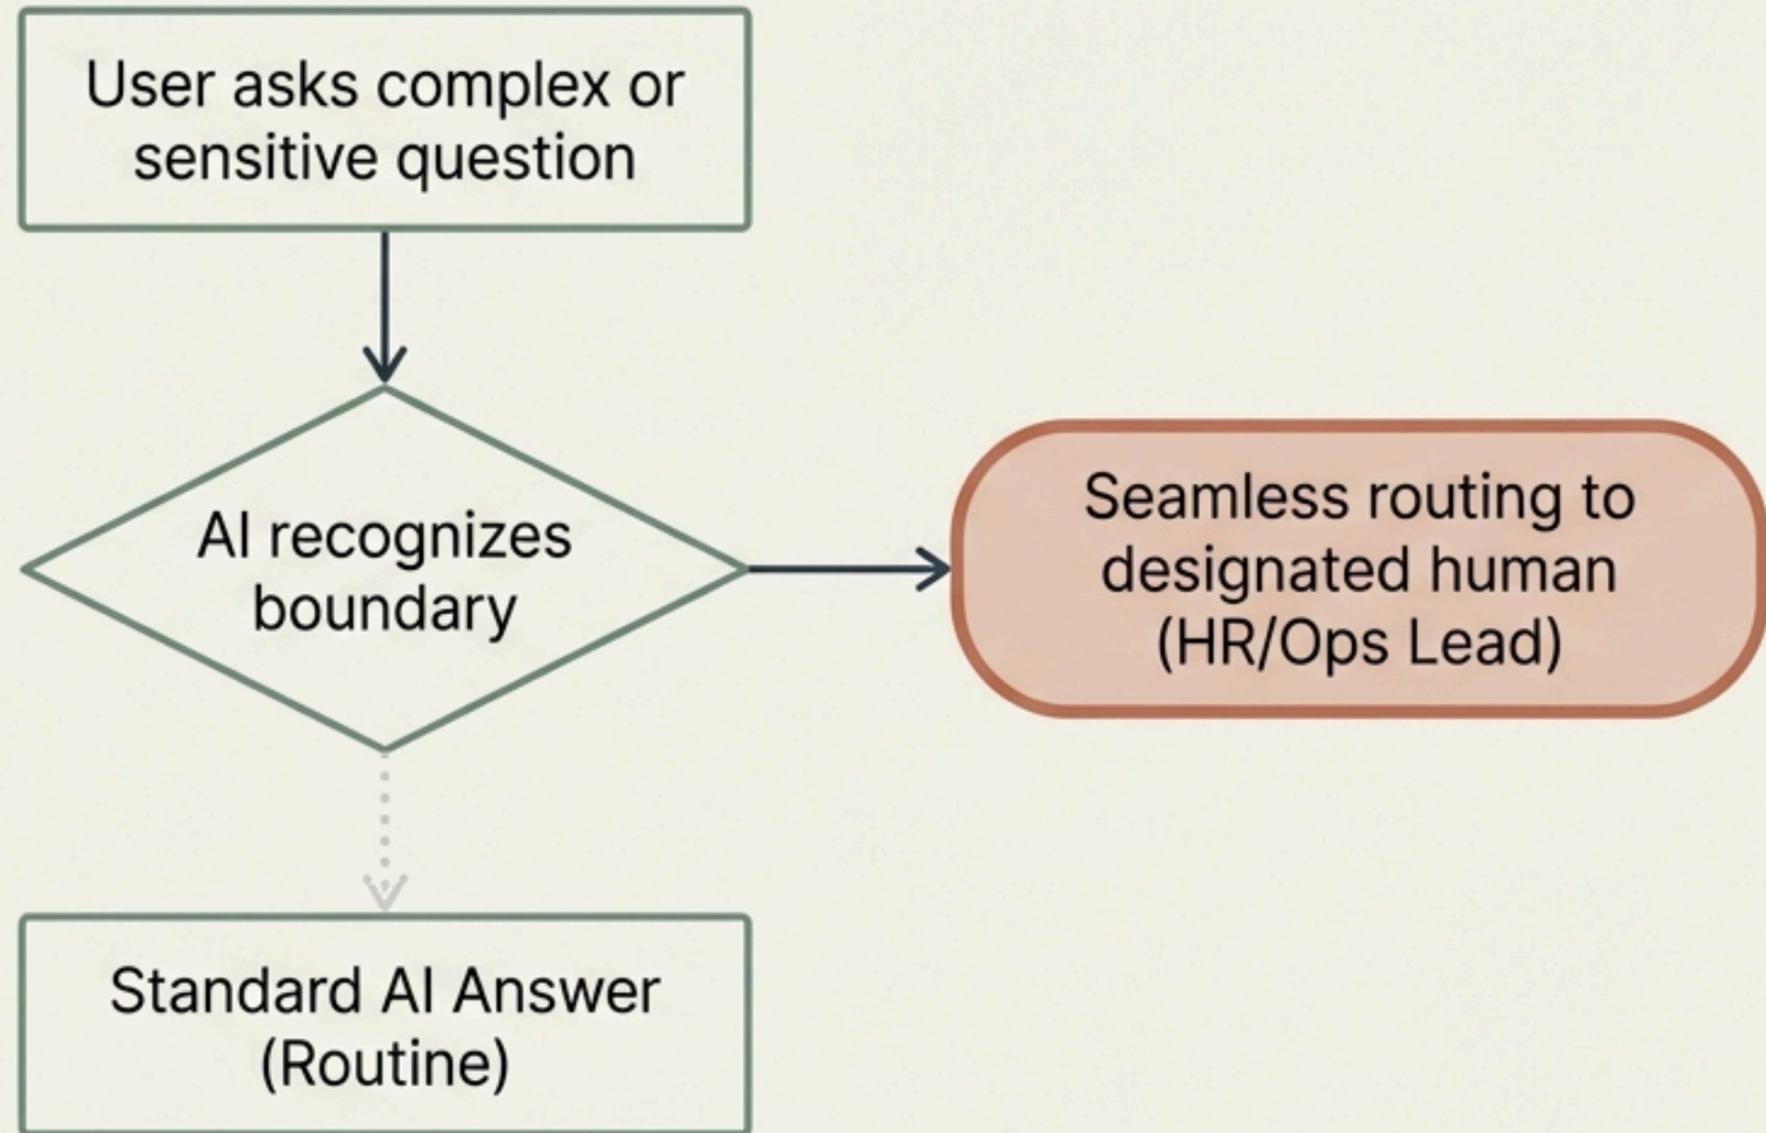

Admin Training: Teaching your team how to monitor and optimize.

The 30-Day Guarantee: Weekly monitoring to identify gaps and retrain agents on actual usage.

Intelligent Escalation Protocols.

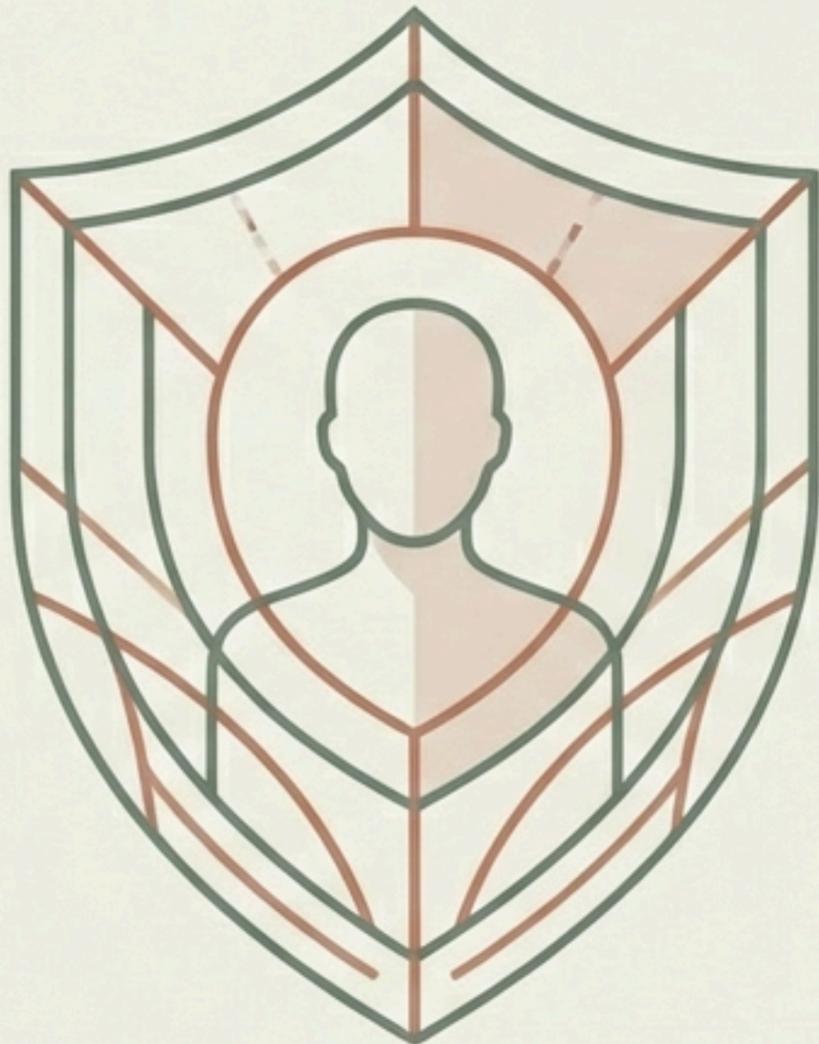

- ✓ Escalation Triggers configured for sensitive topics.
- ✓ Human Handoff Workflows ensure no query is lost.
- ✓ False Positive reduction through ongoing tuning.

The AI handles the routine; humans handle the critical.

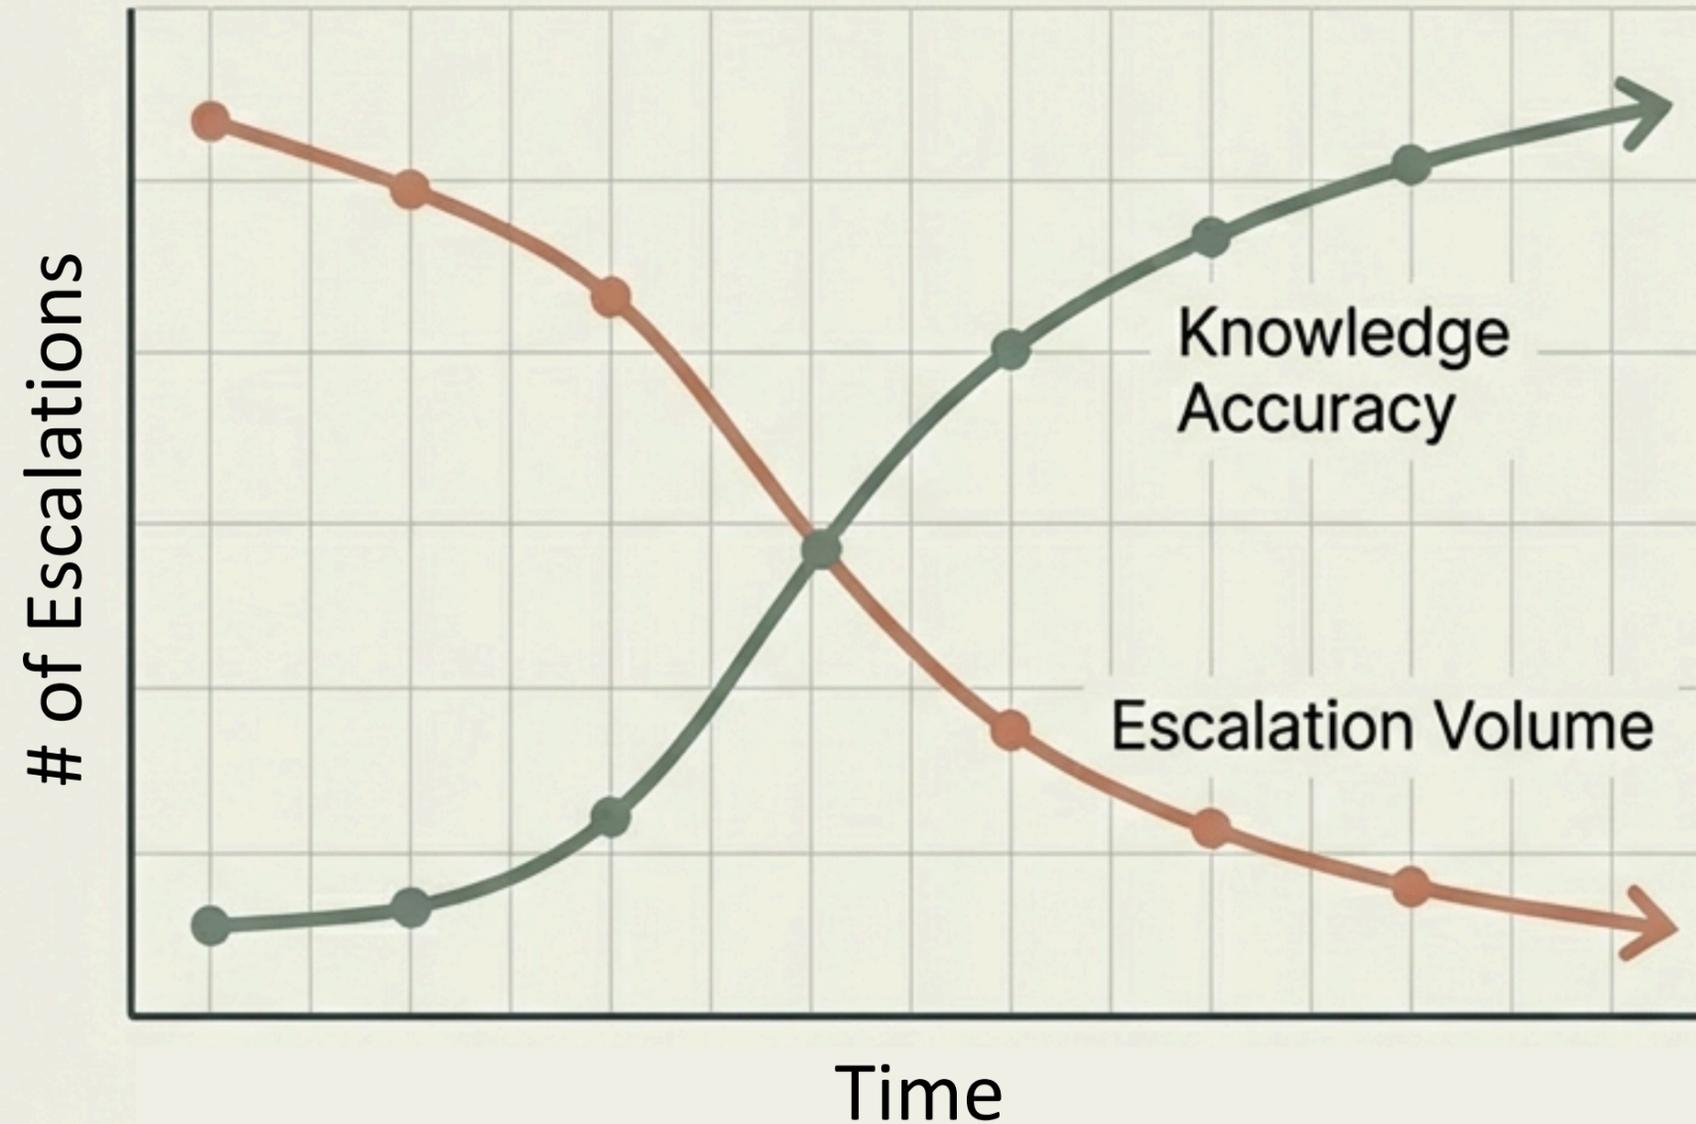

Your Fractional HR Tech Director.

Ongoing partnership post implementation

- ✔ **Director-Level Advisor**
You get a strategic partner, not just a helpdesk ticket.
- ⚙️ **Monthly Reviews**
Analysis of usage metrics, query volume, and satisfaction scores.
- ✔ **Issue Triage**
We prioritize and fix 3-5 top improvement areas every month.

A System That Smarts With Age.

Continuous Optimization Cycle

- ✓ **Quarterly Business Reviews:** Analyze trends and benchmark against KPIs.
- ✓ **Annual Strategic Planning:** Calculate total ROI and plan restructuring.
- ✓ **Content Updates:** Scrub obsolete content and retrain agents.

Let's Build Your Infinite-Capacity Team Member.

- ✔ 6-10 Weeks to Launch
- ✔ Immediate Time Savings for Leadership
- ✔ Director-Level Human Oversight
- ✔ Zero-Friction Integration

Partner with us to turn your operations into a competitive advantage.
